Hi Nan! Just thought I'd send you little photo from Paul's birthday – this was taken moments before the cake ended up on the floor! We're still laughing about it now. We're all packing at the moment for our holiday. We leave tomorrow afternoon!  
Hugs and kisses from Tiffany

Hi Nan! Here's a photo of Augustin, he had so much fun this afternoon. They won their tournament after a very close match against Toulon! He's going to be so proud when he shows you his medal next week. Love from all of us,  
Lauren xx

Here's a photo of Leo – he's obsessed with that fishing rod you gave him! The weather's perfect so we're out and about a lot, trying to make the most of it! See you very soon. Justin
