Welcome

Hello everyone!

It's a real pleasure to be writing our November 2019 newsletter! This issue is full of photos from all the different activities we've been doing over the last few weeks.

Enjoy! Best wishes,

Afternoon of bowling and indoor sport

This Sunday we enjoyed a fun and educational day thanks to our favorite trainers Kimberly and Lisa! We discovered great athletes among you!

Our trip to the zoo

Here's a picture from our recent trip to the local zoo. Despite the changeable weather, we had a really fun day spotting some very exotic animals.

Family Day

This photo was taken at our annual Family Day event. We beat our previous record this year, with more than 300 people attending from nearly 45 families!
