These are paid services available on the website <http://www.famileo.com> (hereinafter referred to as "the Site"), as well as through the FAMILÉO mobile application downloadable from Google Play and the App Store (hereinafter referred to as "the Application"). They are hereinafter jointly referred to as "FAMILÉO Services" or "the Services".

The Site and the Application are published by the company ENTOURAGE SOLUTIONS (hereinafter referred to as "ENTOURAGE SOLUTIONS"), SAS with company capital of €111 010,00, registered with the Saint-Malo Companies and Business Register (Registre du Commerce et des Sociétés – RCS) under the number 805 178 159, and whose head office is located at 4 Avenue Louis Martin, 35400 Saint-Malo.

FAMILÉO Services offer their users the opportunity of setting up a family group network to send messages to a close friend who is unfamiliar with new technologies (hereinafter referred to as "the Loved-one"). These messages are formatted as a gazette, which is then sent to the Loved-one. The establishment of the family group network requires one of the family group members (hereinafter referred to as "the Subscriber") being subscribed to one of the FAMILÉO Services.

This allows certain users, namely other members of the family group and the Loved-one, access to the FAMILÉO Services free of charge, as long as the Subscriber has subscribed correctly, and the

subscription is still valid.

These Terms & Conditions of sale and use (hereinafter referred to as "the Terms & Conditions") exclusively govern FAMILÉO Services provided by ENTOURAGE SOLUTIONS as part of one of the following subscription plans taken up by a private person: "Monthly", "Bi-Monthly" and "Weekly". In the case of a subscription taken up by a professional establishment for its residents and/or users, another set of Terms & Conditions of sale and use apply.

These Terms & Conditions apply to the exclusion of all others, and in particular to the exclusion of those in effect for other services - free and/or paid - offered by ENTOURAGE SOLUTIONS.

The purpose of these Terms & Conditions is to set the conditions for subscribing to FAMILÉO Services as well as the conditions for accessing and using the FAMILÉO Services accessible on the Site and through the Application.

They govern the contractual relations between ENTOURAGE SOLUTIONS as one party and each Subscriber, their Loved-one and family group member(s) (hereinafter referred to together as "the Users") collectively as the other party, under the specific condition that access to the Services by the Loved-one or a family group member depends on the validity of the Subscriber's account.

Subscription to the FAMILÉO Services by Subscribers and access to and use of the FAMILÉO Services is strictly subject to prior unrestricted and unreserved acceptance of these Terms & Conditions.

If a User does not wish to be bound by these Terms & Conditions, he or she is respectfully invited to cease all access to the Site and the Application and to no longer make any use of FAMILÉO Services.

Article 2 - Description of FAMILÉO Services

FAMILÉO Services are services that allow access to the following main features by subscribing to a paid subscription:

- Creation of a private family group network – at the end of the registration process, a family group code is generated and sent to the Subscriber. This code allows other family group members - up to 60 accounts - to join the family group network free of charge and to send messages to the Loved-

one;

- Access to sending messages consisting of texts and/or photos to the Loved one from the Site or Application. The number of messages sent to the Loved-one will be limited according to the chosen plan. Once this limit is reached, it will no longer be possible for the Subscriber and other family group members to post new messages until the next edition of the gazette;

- Access to the digital gazettes and photo gallery from the Site or Application;
- Layout, printing and shipping a paper gazette to the Loved-one.

For FAMILIO subscribers to "Discovery" and "Monthly" subscription plans, these publications will take place every four weeks. For FAMILIO subscribers to a "Bi-Monthly" subscription plan these publications take place every two weeks. For FAMILIO Service subscribers to a "Weekly" plan these publications take place every week.

Once the subscription expires or is terminated for any reason, the User expressly acknowledges that access to certain features of the FAMILIO Services will be no longer permitted:

- The generation of paper gazettes and shipping to the Loved-one is discontinued
- The digital gazettes are no longer generated
- Push messages are no longer sent

Other features may be maintained for a limited time from the date of termination of the subscription (including the possibility to view messages in particular).

Article 3 - Conditions of access and use of FAMILIO Services

Use of the Services is personal and intended exclusively for non-commercial use. As such, Users undertake not to use the Services for commercial, political or advertising purposes and for any form of commercial solicitation, including sending unsolicited e-mails.

Access to FAMILIO Services is only possible from a personal computer, equipped at least with Internet browsing software, by connecting to the Site, or from a mobile phone and/or compatible tablet after downloading and installing the Application.

Access to FAMILIO Services requires an internet connection and, if applicable, a mobile data connection for mobile phones. It is specified that supporting these connections is not handled by

ENTOURAGE SOLUTIONS, it is therefore up to the User to subscribe beforehand to an Internet and/or mobile data provider so that they have access to use FAMILÉO Services.

In the case of mobile data, at least a third generation (3G) technology standard connection is highly recommended.

All costs relating to hardware, software and Internet subscriptions required to access the Services therefore remain exclusively the responsibility of the User.

The User is solely responsible for proper functioning of their computer equipment and the connection to the Internet as specified in Article 11 Liability, below.

Article 4 - Availability of FAMILÉO Services

FAMILÉO Services are in principle accessible twenty-four hours a day, seven days a week, subject to the conditions of access and use referred to above and the provisions of Article 11 Liability, below.

However, ENTOURAGE SOLUTIONS reserves the right to temporarily suspend access to the FAMILÉO Services without notice or any right to compensation, doing so for the following reasons:

- For realization of any necessary modifications and improvements to FAMILÉO Services and in particular those related to technical evolution. ENTOURAGE SOLUTIONS undertakes that this will not result in a price increase, loss of quality or substantial modification of the functionalities of the FAMILÉO Services in question.
- To ensure realization of maintenance operations.

The User releases ENTOURAGE SOLUTIONS from any liability in this respect and waives all claims and/or proceedings against him as a result.

Temporary interruptions shall, as far as possible, be notified through the Site at least twenty-four (24) hours before they occur, except where such interruptions are of an emergency nature and do not allow ENTOURAGE SOLUTIONS to notify the User in advance.

Article 5 - Right of withdrawal - Duration - Renewal - Termination

5.1 Right to unsubscribe

In accordance with Article L. 221-18 of the Consumer Code, the Subscriber is informed that he or she has a period of fourteen days from the date of subscription to exercise his or her right of withdrawal - without penalty and without obligation of cause - by sending written notice thereof by mail addressed to ENTOURAGE SOLUTIONS at 4 Avenue Louis Martin, 35400 Saint-Malo, by completing the withdrawal form [downloadable here](#), or by means of an unambiguous declaration sent to the email

address hello@famileo.com. The Subscriber must send ENTOURAGE SOLUTIONS his or her request before the expiry of the withdrawal period of fourteen days for the withdrawal request to be effective.

The Subscriber may, if he or she wishes, immediately access the Services without waiting for the end of the withdrawal period, in accordance with Article L. 221-25 of the Consumer Code.

If the Subscriber does not wish to have immediate access to the Services, he or she may quit the Site or the Application after validation of his or her payment and wait until the fourteen-day period has expired.

Nevertheless, if a User connects to the Subscriber's account and uses the Services before this period has expired, this first connection from the subscription is an express request from the Subscriber to have immediate access to the Services.

Immediate access to the Services does not deprive the Subscriber of his or her right of withdrawal, which still runs until the end of the fourteen-day period. However, immediate access to the Services implies that the Subscriber is responsible for payment of an amount proportional to his or her use of the Services.

In the event of exercising the right of withdrawal, ENTOURAGE SOLUTIONS will then reimburse the Subscriber the amount of the subscription fee minus the amount corresponding to the number of days elapsed between the day of the first use of the Services and that of reception by ENTOURAGE SOLUTIONS of the request for retraction, being specified that any day on which a service is started is due.

The refund will be made within a period of fourteen days from the date on which ENTOURAGE SOLUTIONS was informed of the Subscriber's decision to retract, and through the same means of payment as that used by the Subscriber for the initial transaction, unless otherwise instructed by the latter.

5.2 Duration

The subscription is taken out for a fixed term of one month and is tacitly renewed every month. It is also possible that there are offers on the Site of special plans of variable duration for a trial or discovery of one of the FAMILÉO Services, be it a temporary arrangement or not.

Unless otherwise indicated, these trial or discovery offers will be subject to these Terms & Conditions and will be limited to a single registration (for the same Internet Protocol (IP) address and/or same email address) regardless of whether the offer is for a trial or discovery.

5.3 Renewal

Unless terminated by the Subscriber under the conditions of Article 5.4 Termination, a subscription to one of the FAMILÉO Services is tacitly renewed every month for a fixed term of one month.

In the case of tacit renewal, the rate in effect at the date of renewal for the subscription concerned will be fully applicable to the Subscriber, provided that the new rate has been sent to the Subscriber under the conditions set out on Article 8 Fees below.

Unless otherwise indicated on the Site and unless terminated by the Subscriber under the conditions of Article 5.4 Termination, any offer for a trial or discovery of a FAMILÉO Service is converted into a paid subscription, in accordance with the duration and the tariff indicated in the offer.

5.4 Termination

To cancel his or her subscription, the Subscriber must provide notification from his account on the Site by clicking on the "Cancel my subscription" heading in his or her "Subscription management" section, which is accessible once logged in.

The termination will be effective at the end of the current subscription period provided that notification has been provided at least 48 (forty-eight) hours before the end of the subscription period, and until the end date and time indicated on the Subscriber's account for a trial or discovery offer, unless otherwise indicated on the Site.

In case of non-compliance with these notification deadlines, the subscription is fully renewed.

Termination does not result in a refund of the subscription fee. All the amounts paid under the subscription will remain permanently acquired by ENTOURAGE SOLUTIONS.

Article 6 - Declaration of capacity

The User declares that he or she has the legal capacity allowing him or her to validly accept these Terms & Conditions, i.e. he or she complies with the legal age of majority and is not the subject to legal protection of minors (i.e. subject to a safeguard set by the courts, subject to guardianship or

supervision) or, if the User is a minor, that he or she holds parental authorization allowing him to validly engage in these obligations.

Article 7 - Subscription to FAMILÉO Services - Creating an account

The subscription is made through the Site. To subscribe to the FAMILÉO Services, the Subscriber must fulfil the following:

- Choose the desired type of subscription from the different FAMILÉO Services;
- Complete the various fields in the subscription form on the Site. These fields concern both the Subscriber and the Loved -one, i.e. the future recipient of the gazettes. In doing so, the Subscriber confirms having received authorization from the Loved-one to communicate the necessary personal information concerning said Loved one. The information that is necessary to create the account is expressly indicated;
- Confirm his or her registration by validating his or her subscription to a FAMILÉO Service;
- Confirm his or her knowledge of and acceptance of these Terms & Conditions;
- Pay the fee for his or her subscription, using one of the payment methods offered.

Subject to authorization of the transaction, ENTOURAGE SOLUTIONS then sends the Subscriber (to the address indicated by the latter when registering on the Site) a confirmation email summarizing the characteristics of his or her subscription and the family group code that will allow access to build the family group network.

It is the Subscriber's responsibility to communicate this family group code, under his or her sole responsibility, to his or her family group members and to the Loved-one. Subject to the other stipulations of these Terms & Conditions, a subscription to one of the FAMILÉO Services only comes into force when ENTOURAGE SOLUTIONS has sent the confirmation email referred to in the paragraph above. ENTOURAGE SOLUTIONS recommends that the Subscriber should keep this email and/or print it.

The Subscriber undertakes to provide true and reliable information in regard to him or herself and concerning the Loved-one in question. ENTOURAGE SOLUTIONS cannot be held responsible for failures of Services that are linked to incorrect information being provided by the Subscriber.

The Subscriber undertakes to inform ENTOURAGE SOLUTIONS without delay of any modification of the information provided when subscribing to his or her subscription, particularly any change of e-mail address or means of payment.

The Subscriber may modify this information through his or her account on the Site by clicking the "Edit" heading on his or her profile page.

In case of loss or unauthorized use of his or her account, personal identification details or family group code, the Subscriber must inform ENTOURAGE SOLUTIONS immediately.

The identification details and family group code are personal, and the Subscriber agrees not to disclose them to any third party to the family group network he or she wishes to create. As such, the Subscriber is solely responsible for the selection of family group members with whom he or she wishes to share the family group code and to allow use of said code. In any case, the Subscriber is solely responsible for the consequences of use of his or her account, until such time as it is deactivated.

The Subscriber releases ENTOURAGE SOLUTIONS and its partners, co-contractors or beneficiaries from any liability in this regard.

Article 8 - Fees

Fees for FAMILIO Service subscriptions are indicated on the Site in euro and all taxes are included.

Fees for FAMILIO include the license fees paid for the software used to manage the Site and make the Application available to the Subscriber and Loved ones (50% of the fees), the cost of hosting the Site (10% of the fees), as well as the cost of printing and sending the gazettes (40% of the fees).

ENTOURAGE SOLUTIONS reserves the right to change the fee for each subscription plan, the rate applicable to the Subscriber being the one in effect on the day of entering into the Subscription or of renewal thereof. ENTOURAGE SOLUTIONS will inform each Subscriber about any fee increase, at least 15 (fifteen) days before it comes into effect by sending an e-mail to the address provided by the Subscriber in question when registering for FAMILIO Services (or the one he or she modified through his or her account at a later date).

In such a case, a Subscriber who does not accept this rate increase will be free to not renew the subscription through his or her account on the Site as, indicated in article 5 above, this termination being in effect from the date of the next subscription deadline. If this is not the case, the new pricing

will be applicable as of the next subscription deadline following introduction of the new rates.

Any increase in VAT (Value Added Tax) will be reflected automatically and immediately in the price of the FAMILÉO Service. The above also applies in case of creation of any new tax that shall be levied on the price of a FAMILÉO Service and to which ENTOURAGE SOLUTIONS shall become liable.

The cancellation conditions provided for cases of changes the fees for the subscription plans, as mentioned above, will apply under the same conditions in the event of a change in price resulting from a tax increase or creation of new taxes.

A gift box code can not be used in combination with another gift box code. All gift box codes are only valuable for new Subscribers and can not be used in conjunction with an existing Subscription.

Subscribers are reminded that connection and communication costs (Internet and/or mobile data) related to the use of the FAMILÉO Services are not supported by ENTOURAGE SOLUTIONS and remain the responsibility of the User.

Article 9 - Fee payment

Payment for the subscription is handled through the Site, using Visa, American Express or MasterCard credit cards.

If the Subscriber has more than one subscription plan, all subscription plans are paid for using the same credit card.

It is hereby specified that ENTOURAGE SOLUTIONS does not store bank details that the subscriber provides to it.

The subscription fee is payable monthly. The payment will be made, in advance (in accrual), at the time of account creation, and every month, until termination of the subscription, no matter whether cancellation is through Subscriber's initiative or that of ENTOURAGE SOLUTIONS.

In order to optimize transaction security, ENTOURAGE SOLUTIONS has chosen the DALENYS and CHECKOUT payment systems. The guarantees granted by ENTOURAGE SOLUTIONS for the

security of transactions are identical to those obtained respectively by ENTOURAGE SOLUTIONS from the provider of the aforementioned payment systems.

In the absence of any contrary evidence submitted by the Subscriber, the digital records, stored in the computer systems of ENTOURAGE SOLUTIONS and its partners under reasonable conditions of safety, will be considered as the proofs of the communications, orders, validations and payments made between the Subscriber and ENTOURAGE SOLUTIONS.

This information will be considered true and reliable by both parties, except in a case where the Subscriber provides written proof to the contrary. Archiving these elements shall be realized using reliable and durable media.

(Including but not restricted to: Flowers, Chocolates, Shawls, etc.

This allows Users, who wish to do so, to use the links on the store's portal to access partner merchant sites for online purchases of products and/or services offered by third parties.

ENTOURAGE SOLUTIONS is prohibited from sending directly to the partners any details regarding

Users without their prior agreement.

Thus, exclusively the User details that are strictly necessary for the execution of the order of products and/or services, will be sent to the partners but not until the time of the final payment by the User in person.

Users are invited to read the sales terms & conditions of the third-party partner proposing the sale of products and/or services before placing any order.

These sales are thus subject to the terms & conditions of sale that accompany the description of the products and/or services offered, and under the sole responsibility of the partner(s) concerned.

Any complaint regarding any products and/or services thus ordered must be communicated by the User directly to the third-party partner. ENTOURAGE SOLUTIONS cannot be held responsible for poor performance of obligations by the third-party partner. However, ENTOURAGE SOLUTIONS invites the User to inform it about any order-related problems he or she may have encountered with one or more of its partners.
